

Yew Class Weekly Newsletter

Week beginning: Monday 26th March 2018

Literacy:

This week we are going to finish reading 'Skyhawk.' Imagining that the novel is going to be turned into a film, the children are going to work in pairs to plan and create a 2 minute film trailer on Windows Movie Maker.

Maths:

In Maths, we will be revisiting long multiplication and long division and solving problems involving a mixture of multiplication and division.

Topic: Darwin's Delights

Art: The children complete their bird sculptures and evaluate their finished artwork.

Topic: The children do some work reflecting on our school trip to the Hawk Conservancy Trust.

Music: We look at composers inspired by birds: Vaughn Williams, Camille Saint-Saens and Handel.

PE: The children have their last sessions of Floor-ball and Tri-Golf.

Due to the shortened week, the children have not been set any home learning besides reading. The Year 6s should do some work in their SATs revision books, focusing on the areas they most need to revise.

Welcome back to our Year 5s from their residential trip. Well done to our Year 6s for coping so well in your Mock SATs. Best wishes for a lovely Easter holiday.

Kind Regards,
Mrs Aitken
