

Friday 2nd July 2021

Dear Parents and Carers,

Please can I once again extend my thanks to you all for your patience and support this week in relation to our COVID 19 isolation. We were so glad to welcome back our pupils into school and continue learning together.

Amazing Donations!

A big thank you for two incredible donations to the school this week.

Firstly, a personal thank you to the Baring family, who have donated a selection of brand new games for our wraparound care children to enjoy. Ms Newell was thrilled with the selection and the fun the children have been having!

Secondly, a thank you to the wonderful team of children who hosted last year's 'Twyford Circus' for their beautiful Buddy Bench. This is a legacy gift that so many children will benefit from for years to come.

Recently, we have purchased an environmentally friendly bench, which is called the Buddy Bench. It is made of 100% recycled ocean plastics. This will be used to help build friendships and make our school a happier and kinder place. Due to us leaving soon, we would like to contribute something to our wonderful school to say thank you for everything they have done for us.

Transition

Next week, we will begin the process of transitioning our pupils to their new classes. Children will bring home a letter on Thursday that will share information of their new class and teacher. This will then be followed by our in-school transfer morning on Friday, where pupils will meet their new teacher and have an opportunity to get to know others within their new class settings.

Twyford Village Green Fair

The Fair will be taking place at St Mary's Church on Saturday 17th July from 12:00pm. The aim of the Green Fair is to re-focus attention from pandemic to planet, to share good ideas on living sustainably, to encourage us all to put them into practice and to have some village community fun! There is no admission charge, however do please support their raffle. There will be some amazing stalls, including our very own TSM stall showcasing our Eco projects, musical entertainment, competitions and much more! Bring a picnic and come along to enjoy a lovely afternoon.

An exciting competition for the children to enjoy is the Green Fair's 'trashion' fashion event! Pupils are invited to design an outfit out of recycled 'trash' and the winners will receive a special prize!

Star of the Week

Ash	Esme	For her accurate writing about castles using the -ed suffix!
Beech	Theo	For being an Incy Independent in maths this week when working out earlier and later problems. Well done Theo!
