

Friday 8th January 2021

Dear Parents and Carers,

This is not how I had hoped to welcome you back to the New Year at TSM but please let me begin with a **THANK YOU!** We all really appreciate your kind wishes, patience and support throughout what has been a challenging week for the school.

The team are working hard together to ensure the best provision possible for learning at home and in school.

Google Classroom

A very important parent mail has gone out to you today in relation to use of Google Classroom to allow work, feedback and communication between your child and their class teacher. Please ensure you have read this before Monday when our classrooms go live.

Critical Key Worker Attendance

Thank you to everyone who has been rearranging schedules to minimise the times children are in school, we really appreciate your efforts. We are now very full in school, with over 80 children coming in over the week so, if it is possible, please do rearrange schedules that will allow us to keep the bubbles small and the risk of cross-infection to a minimum.

Applications for Year R entry in September 2021

This is a final reminder to all our parents with younger siblings that the deadline for applying for a Year R school place for next September is next **Friday 15th January.**

Star of the Week!

This week The TSM Community
has been made *Star of the Week* for

**Working hard with courage, care, joy and respect!
