

Week beginning: Monday 11th March 2019

Last week we had a fabulous time engaged so much in all kinds of ways in all kinds of books. Thank you for your participation.
 Thank you for the super home learning that has been coming in. We have all enjoyed sharing it.
 Please always remember to bring your spelling book on Fridays
 Best wishes,
 Ms Holman

Core subjects

This half term our topic is All Aboard

Maths - This week we will be continuing to practice subtraction and investigating subtraction and addition as inverse operations.
Literacy- This week we will be learning about the features of diary writing .

Literacy What you can do at home

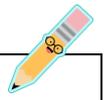

- Please read with your child for 10 or 15 minutes every day and just sign their diary, Thank you.
- Please practise counting forwards and backwards in 2s, 5s and 10s and learning the 2, 3, 5 and 10 times tables .

Home Learning - Please complete three of the tasks from the tic-tac-toe grid over this half term.
 Home learning should be brought into class on a Monday.

London's burning ! Write a song or poem about The Great Fire of London	Create a mixed media picture about fire using your choice of pencil, crayons, paint, paper, fabric etc.	Make your own map of London to show the area affected by the Great Fire.
Imagine you are a child in London in 1666. Write a diary about The Great Fire.	Write instructions about 'How to make bread.' Then try them out and make some bread. Take photos – or bring some in to show !	Make a model of a house in London in 1666.
What ingredients will you need to make a loaf of bread or some bread rolls ? How much will it cost ?	Make a model of a 1666 'fire engine.'	Design a poster to encourage fire safety.

Spellings - In addition to our high frequency word lists, this week we are learning to spell contraction words. Please practise these spellings for a test on Friday
