

Launch
 Letter from Garden Gnome
 Plant sunflower seeds and bulbs.

English		
<p>Non-fiction- Magazine article We are learning to understand the layout of a magazine/information text and to produce an article about plastic pollution to share with pupils in the school. We will be paragraphing our writing and using vocabulary to inform and persuade.</p>	<p>Non-fiction - invitations We are learning to write simple invitation . We will be learning about the layout of an invitation and the important information that must be included.</p>	<p>Narrative - Fantasy Stories We are learning to write an original, imaginative narrative following a carefully planned sequence. We will be using a variety of sentence openers and time adverbials . We will be using expanded noun phrases to describe the setting and characters of our story</p>

Mathematics		
<p>Mental Maths We are learning number bonds to 100 and to use our knowledge of number patterns. We are practicing our 2, 5, 10 and 3 times tables.</p>	<p>Subtraction and Fractions We are learning to solve one-step and two step word problem and missing number problems. We are learning to use bar models to help us solve addition and subtraction problems.</p>	<p>Position, Direction and Shape We are learning to describe position, direction and movement. We are revisiting 2d shapes and 3d solids and investigate their properties.</p>

Science:
 We are learning about what plants need to grow and to identify and name parts of plants and describe the structure of a plant. We will be investigating the difference between a bulb and a seed and making the life cycle of a sunflower.

Art & D.T:
 We are exploring the work of sculptors and creating our own fantasy gnome clay sculpture.

Music:
 We are exploring the work of Vivaldi.

Geography:
 We are learning to about our local area and weather and study a small wildlife area in our school grounds.

PHSE:
