

Sports Premium Funding Report for 2017-18

Twyford St Mary CE Primary School prides itself on promoting a range of activities through the taught curriculum, extra-curricular activities and visits, which promote an active lifestyle.

We support the government's initiative to combat obesity and enjoy being active and believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children. As a school, we want to create an excitement about physical activities where every child feels confident and ready to participate.

Our Primary Sports Premium funding enables us to continue and extend our provision to offer a wider variety of opportunities for children to engage in competitive sport as well as promoting a culture of inclusiveness, which enables access to PE for all children. We work with local clubs and organisations to ensure that will offer high quality provision for PE both within the curriculum and through after-school clubs.

PE and Sports Premium funding is used to improve the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

What is the Sports Premium?

The government is providing primary school sport funding to improve the quality of sport and PE. Twyford St Mary CE Primary School will receive £17,590.00 until 2018.

Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

At Twyford St Mary CE Primary School, we intend to use the funding to:

Increase engagement of pupils in regular physical activity (promoting a healthy lifestyle):

- Promotion of 'The Golden Mile'
- Resourcing children's own sporting clubs e.g. dance, football, rounders, agility, cheerleading.

Raise the profile of sport and PE across the school:

- Integr8 dance provides dance units linked to class topics to enrich learning
- Supply cover for sports leader and other staff to attend inter-school sporting events
- Lunchtime provision (Sport of the Week)
- Regular inter-school events in KS2 and whole school intra-school events
- Sports Day planned by School Council alongside Premier Sport

Increasing confidence and knowledge of staff teaching PE:

- Continued use of Premier Sports Coach to train and team-teach with staff.
- Premier Sports offer planning through online portal which allows teachers access.
- Lunchtime supervisors receive training to increase active play at lunchtime.

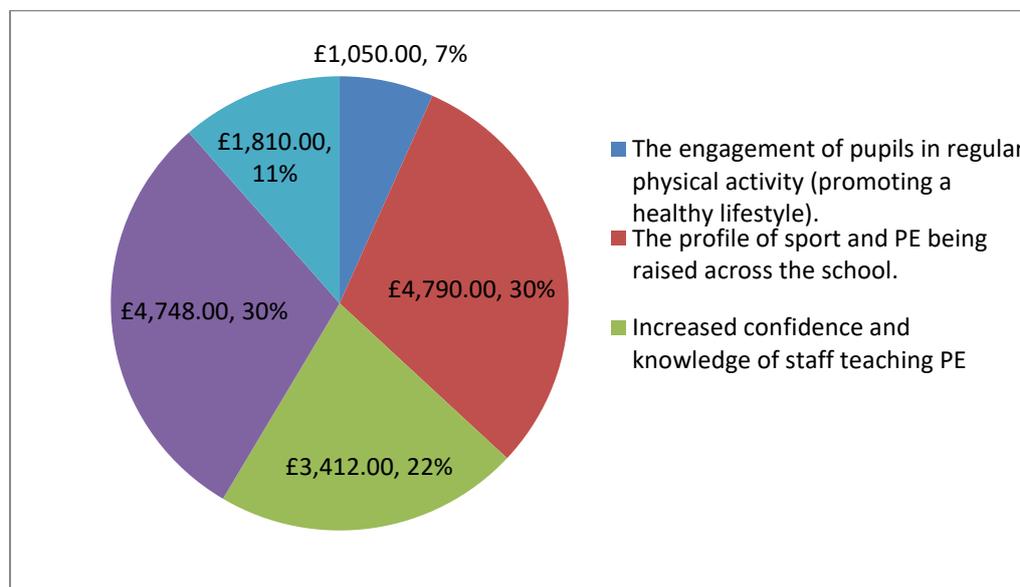

Broadening the experience and range of sports offered to pupils:

- New extra-curricular clubs offered this year include gymnastics, archery and fencing with more possibilities for the next academic year.
- Tri-golf introduced to curriculum through Active Winchester programme and tournament.
- Y3/4 gymnastics team formed and took part in competition at Kings School.

Increasing participation in competitive sport:

- Transport to sporting events
- New kits purchased which are can be used for a variety of sporting events
- Equipment and staff time allocated to intra-school team competitive afternoons.

Below is a summary of the funding allocation for the Year 2017/18. The PTA also very kindly subsidise aspects of our PE and sport provision.

Local Club Links

We have ongoing links with the following local clubs and organisations: Saints FC, Premier Sport, Integr8 Dance, Winchester Tennis Club, Trojan Squash Club, Sports Schools and Active Winchester.

Inter-School Competition and Festivals

We currently take part in a range of competitive sporting events within our local school cluster. Some of these events form part of the School Games programme and include competitive events such as football, netball, hockey, gymnastics, tennis, cricket, swimming and cross-country. We also enjoy competing in regular friendly matches with nearby schools.

We ensure that all children in KS2 are given the opportunity to represent the school in a school sport competition against other local schools. The following is a list of some of the events we have attended this academic year.

- Westgate Cross Country x2
- Greggs School Cross Country
- Gymnastics Training at Kings
- Cross Country at Flemming Park
- Netball at Kings
- Netball Friendly at St. Faiths
- Netball Friendly vs. Otterbourne
- Fair Oak Relay
- Tag Rugby Tournament
- Football Friendly vs. Otterbourne
- Football Friendly vs. Wickham
- Henry Beaufort Football Tournament
- Tri-golf Tournament
- Gymnastics Competition at Kings
- Cricket Friendly vs. Otterbourne/Compton
- IBM Cricket Tournament
- Kwik Cricket Tournament
- Penguins Swimming Gala
- Tennis Tournament

We are always looking for new competitions to enter. Representing the school on a sports team is highly encouraged and pupils are proud to be involved. We celebrate our teams' involvement and achievements by displaying information on our school sport information board, through whole school assemblies and through the weekly school newsletter.

Sports Premium Funding – Impact Statement

Throughout the 2017/2018 academic year, the funding has been used to employ expert coaches to provide challenge and specialist coaching for our pupils in PE lessons, which our own staff have watched as part of our CPD commitment and will be able to employ in their own teaching. We continue to develop planning resources, which can be used in future PE lessons. Lessons are high quality with children actively involved in all stages. Assessment of children's needs has provided children with suitable skills progression.

The school was accredited having met the criteria required for the Sainsbury's Silver Award for competitive sport and we have the expectation of reaching the gold award at the end of the academic year!

The variety of sports on offer at Twyford St. Marys is constantly under review and constantly increasing recent additions to our extra-curricular clubs include fencing and gymnastics. Children speak highly of the variety of sports offered and enjoy the lunchtime clubs which are run by both sports coaches and the children themselves.

Other Opportunities

Our aim is for every child to participate in two hours of high-quality PE a week. Already we offer a broad range of sports within our PE curriculum and extra-curricular clubs. In addition to gymnastics and dance, sports taught include football, tag rugby, hockey, netball, cricket, short tennis and athletics.

Children are given the opportunity to learn to swim during KS2 (Year 4 and 5) with the aim of pupils being able to swim at least 25m. Our pupils in Year 6 have the opportunity to complete the 'Bikeability' Cycling Proficiency scheme and we offer a full programme of Outdoor and Adventurous Activities (OAA) through our residential trips to Fairthorne Manor, Avon Tyrrell, Stubbington, and regular visits to Forest School (Y3/4). Experiences and activities on offer include archery, abseiling, and orienteering amongst others though these other activities are not funded through our Sports Premium.

Lunchtime Provision

We have also been able to employ a specialist sports coach to provide competitive, organised games during our lunchtimes. Children are able to engage in competitive play and receive specialist coaching support as required.

Children are also able to apply for, plan and run their own lunchtime clubs. Many of these are of a sporting nature and they prove very popular. Sports Premium has contributed to the equipment and resources we can provide children in order to run their clubs.

We have used our Sports Premium to purchase playtime equipment. This equipment is rotated following a 'Sport of the Week' system, which the children spoke highly of during recent pupil conferencing. They reported that they liked 'Sport of the Week' because it allows them to try sports they might not have thought about before.
