

Twyford St Mary's C of E Primary School

Year 6 Swimming Competency

Children at Twyford St. Mary's C of E School attend swimming lessons within Year 4 at Twyford Prep School. In Year 5, if children have not yet reached the competency levels, they are invited back to lessons the following year.

Percentage of pupils within our 2018-19 Year 6 cohort that can do each of the following:

- Swim competently, confidently and proficiently over a distance of at least 25 metres: 88%
- Use a range of strokes effectively: 88%
- Perform safe self-rescue in different water-based situations: 88%

This information relates to our current Year 6 cohort from their time in these lessons.

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. We have used this funding to engage with local swimming competitions and will consider doing this again for this year's allocation.
