Team

What should we have for dinner?
From field to fork

English

Cloud Tea Monkeys - Narrative

Year 3&4: We are learning to use paragraphs to group related material. We are learning to use fronted adverbials.
Year 4: We are learning to write internally coherent paragraphs.

Cloud Tea Monkeys - Non-Chronological Report

We are learning to evaluate effectiveness and improve writing through editing.
Year 3: We are learning to use features to organise and present our writing.
Year 4: We are learning to write with cohesion.

Recipes

Year 3&4: We are learning to make specific, rich and varied vocabulary choices.
Year 4: We are learning to write using effective persuasive techniques.

Mathematics

Geometry

Year 3: We are learning about angles as properties of shapes. We are learning to identify parallel and perpendicular lines and recognize 3D shapes in different orientations.
Year 4: We are learning to identify and compare a variety of acute, obtuse and right angles. We are learning to compare angles by size.

Measurement

Year 3: We learning to solve problems involving telling the time to the nearest minute. We are learning to compare durations of time.
Year 4: We are learning to solve problems involving converting time.

Addition and Subtraction

Year 3: We learning to use the formal written methods for addition and subtraction.
Year 4: We are learning to solve problems involving the formal written methods for addition and subtraction.

Final Products

- Soup!
- Tea non-chronological reports
- Philosophical enquiry

Science:

We are learning to describe different parts of flowering plants and their functions. We will be working scientifically to investigate the way in which water is transported within plants. We will be exploring the part that flowers play in the life cycle of flowering plants.

Art & D.T:

We are designing, making and evaluating our own healthy soups.

Music:

We are learning to play and perform using musical instruments with increasing accuracy, control and expression.

Geography:

We are learning about the impact of farming around the world.

PHSE:

We are learning to recognise our emotions and how they make us and others feel. We will be learning mindfulness techniques

R.E.

We are learning about the concept of faith through what Christians and Muslims believe about being a follower of God.

P.E.

We are learning to play bat and ball games (tennis). Y4s will be learning to swim using different strokes.

French:

We are learning to speak in sentences using familiar vocabulary (months of the year).

Computing:

We are learning to design, write and debug programmes that accomplish specific goals.
