*Year 3: We learning to tell the time to the nearest minute and to compare durations of time.*

*Year 4: We are learning to solve problems involving converting time and the 24 hour clock.*

### Final Products

- Invading Willow Class!
- Legend Scripts/Plays
- Artefact sketches
- Anglo-Saxon musical compositions

#### Science:

We are learning to recognize the need for light and notice that light is reflected from surfaces. We are learning to recognise that light from the sun can be dangerous. We are learning to recognize that shadows are formed when light is blocked by an opaque object.

#### Art & D.T:

We are designing, making and evaluating our own sketches of Anglo-Saxon artefacts.

#### Music:

We are learning to play and perform using musical instruments with increasing accuracy, control and expression.

#### Geography:

We are learning about the impact of farming around the world.

#### PHSE:

We are learning to recognise our emotions and how they make us and others feel. We will be learning mindfulness techniques

Visit to Butser  
Farm!

#### R.E.

We are learning about the concept of faith through what Christians believe about the Kingdom of God.

#### P.E.

We are learning to play bat and ball games (tennis). Y4s will be learning to swim using different strokes.

#### French:

We are learning to speak in sentences using familiar vocabulary.

#### Computing:

We are learning to design, write and debug programmes that accomplish specific goals.
