

Week beginning: Monday 7th January

Welcome back!

I hope everybody had a lovely Christmas. We have an exciting term ahead of us!

We have now been joined by Mrs Mills, who will be swapping with Mr McGettigan until February half term.

Many thanks,
Miss Etheridge

Core subjects

This half term our topic is: A Sailor's Life for Me

Maths - This week we are learning about place value.

Literacy - This week we are writing reading 'The Snorgh and the Sailor' and practising the skills we will need to write our own narrative stories.

What you can do at home

- Can your child remember Mr McGettigan's hat game? Perhaps they would like to play this with you!
- Ensure your child reads for at least 15 minutes a day. If this is independent, ask them about what they have just read.

Home Learning - Please complete at least three of the tasks from the tic-tac-toe grid over this half term. Home learning is marked on a Monday.

Create a piece of artwork inspired by a tudor home. It could be a painting or a sculpture.	Create a poster to advertise Henry VIII's fleet.	Use https://maryrose.org/meet-the-crew/ to research some of the jobs on board the Mary Rose.
Research some interesting animal skeletons!	Log in to Mymaths and complete your tasks for the half term.	Find a poem about the sea to perform with expression.
Write a biography about someone who has shown courage at sea.	Create a game to teach others about multiplication and division.	Write a sea shanty. You could even use written notation to record your percussion. (Like the rhythm grid we use in music lessons.)

Spellings - This week spellings are a selection of words we have learnt so far this year.
