

Twyford St Mary's CofE Primary School

School Strategic Plan 2019-2022

Last Updated September 2019

Our Vision

Through our Christian values of Courage, Care, Joy and Respect, we aim to give children the inner confidence that they can make a positive contribution to the well-being of each other, give back to their local community and champion justice in the wider world.

So this is how we do it...

- Promoting lively enquiring minds, which enable our children to make positive and informed choices;
- Celebrating something exceptional; a daily experience;
- Learning to be good friends, resilient hard workers and confident individuals;
- Ensuring exceptional teaching and learning in an inspirational school with challenging learning experiences;
- Driving a memorable, rich and moral curriculum;
- Building a thriving, caring, pupil-led community;
- Promoting the social, moral, cultural, spiritual and physical development of all our pupils;
- Encouraging local, national and international collaboration.

...and these are our next strategic priorities...

- Our pupils, staff, governors and parents will benefit directly from being part of a thriving alliance and other collaborations;
- Shaping the current and future quality of the teaching profession by having access to the highest quality personal and professional development;
- A memorable, rich and moral curriculum carefully balanced and steered toward need - accessible to all our pupils.

And our pupils recognise that these will help them to achieve

Our School Values

Together, everyone achieves more, through courage, care, joy and respect.

Our Learning Keys

Persevere, Evaluate, Explore, Independence and TEAM
